GET INVOLVED

Sponsorship Opportunities - Sponsorship is available at many levels. Sponsorship purchases can be tailored to meet your personal or company's interest and needs. A member of our sponsorship committee will be willing to assist you with your participation. Individual Sponsors or Companies, while unable to participate through substantial sponsor investment, may choose to contribute to our community event through the donation of in-kind products and services.

These gifts are highly valuable and greatly appreciated as they increase the overall value of events to participants and volunteers and help offset expenses. We welcome your creative suggestions for in-kind donations to events and assure you that your generosity will be acknowledged.
